SERMON NOTES
"The King Is Missing"

SEVENTH-DAY ADVENTISTS BELIEVE:

As a people we hold the Bible in supreme regard as the revealer of God's truth to guide us to salvation. Our love and devotion is rooted supremely in Christ who we worship as our Savior, Creator, Lord and King.

We believe that forgiveness, healing and eternal life are offered freely to all on the basis of what Jesus has already accomplished for us at the cross, and continues to do as He ministers on our behalf in the heavenly sanctuary above. God's mercy and grace are infinite and are received by faith, to prepare a people for Jesus' second coming.

The "New Covenant" provides not only forgiveness for sin, but also God's promise to write His law on our hearts so that our greatest joy will be to do His will. We keep His commandments, not in order to be saved, but because He has already encircled us in His saving arms. His law includes also the fourth commandment Sabbath which invites us to spend a special time of fellowship with God on the seventh day.

We feel compelled as a people to share with a perishing world these messages of God's love in the context of God's final judgment-hour message in Revelation 14. Because of our devotion to Christ we joyfully look forward to His soon return in the clouds of heaven when we shall see our Savior face to face.
