

## Our Beliefs in Brief: #6— Creation

God made our world with brilliant creativity and tender care. He created humanity to take care of and take pleasure in the planet, with rest and recreation in perfect balance.

God has revealed in Scripture the authentic and historical account of His creative activity. He created the universe, and in a recent six-day creation the Lord made “the heavens and the earth, the sea, and all that is in them” and rested on the seventh day. Thus He established the Sabbath as a perpetual memorial of the work He performed and completed during six literal days that together with the Sabbath constituted the same unit of time that we call a week today. The first man and woman were made in the image of God as the crowning work of Creation, given dominion over the world, and charged with responsibility to care for it. When the world was finished it was “very good,” declaring the glory of God. (Gen. 1-2; 5; 11; Exod. 20:8-11; Ps. 19:1-6; 33:6, 9; 104; Isa. 45:12, 18; Acts 17:24; Col. 1:16; Heb. 1:2; 11:3; Rev. 10:6; 14:7.)

### CHILDREN ARE A GIFT FROM THE LORD

This year we are working to make a difference in the Brookings community. This is why I'm excited to share with you a joint project between Brookings Seventh-Day Adventist Church Women's Ministry group and the local Kalmiopsis Elementary School. In seeking out ways to make a difference we learned that out of the 780 students in attendance, 20% or 160 of them won't have the required school supplies.

It's our goal to help 60 of these children in need by raising \$2,700 before the first day of school on August 24. The funds will be used to purchase the supplies and we will deliver them to the school for distribution. We are happy to have this worthwhile cause to support and I'm delighted to share that we've raised \$750 to date.

I invite you to consider a gift of \$45 which would guarantee that one child in need will have the supplies they need to start the school year
